

GOUTAM KUMAR

Senior Software Engineer

Pune, Maharashtra, India | 9268636653 | mr.gtmkumar@gmail.com

PROFESSIONAL SUMMARY

Results-driven Senior Software Engineer with 7+ years of experience designing, developing, and deploying scalable web applications and APIs using Microsoft technologies. Proven expertise in .NET Framework, .NET Core, Angular, and React.js with strong track record of improving system performance, reducing development cycles, and leading cross-functional teams to deliver high-quality solutions.

TECHNICAL SKILLS

Programming Languages & Frameworks:

- C#, .NET Framework, .NET 9, .NET Core, RESTful API Development
- Entity Framework Core, SignalR Communication

Front-End Technologies:

- JavaScript, jQuery, HTML5, CSS3, Bootstrap, Material UI
- Angular 14+, React.js, Express.js, Node.js

Databases:

- SQL Server, PostgreSQL, MongoDB, MySQL

Cloud & DevOps:

- Amazon Web Services (AWS), Microsoft Azure DevOps
- Docker, Kubernetes (K8s), Terraform, Jenkins, Ansible

Development Tools & Practices:

- Git Version Control, SonarQube, xUnit Testing
 - Agile Methodologies, SOLID Principles, Project Management
-

PROFESSIONAL EXPERIENCE

Senior Software Engineer

- Developed and deployed scalable applications using .NET Framework, .NET Core, Angular, and C# improving system reliability and reducing response times by 20%
 - Implemented Agile-driven project delivery processes, reducing development cycle time by 15% and improving on-time delivery rates
 - Led cross-functional team collaboration with developers, testers, and business analysts to deliver tailored solutions, increasing client satisfaction scores by 25%
 - Integrated third-party APIs into enterprise systems, enhancing application functionality and boosting user engagement by 25%
 - Optimized Agile processes through active participation in sprint planning, daily standups, and retrospectives, improving team productivity by 18%
 - Managed development team of 5+ developers ensuring timely project completion and reducing schedule overruns by 10%
 - Collaborated with business analysts to design comprehensive user stories aligned with customer needs, improving requirement clarity and reducing rework by 15%
 - Conducted code reviews and implemented quality assurance standards, reducing production defects by 30%
-

KEY PROJECTS

WKG (Winged Keel Group) Life Insurance CRM and Policy Tracking System

Duration: 6 months | Team Size: 4 developers

- Developed comprehensive client management system for life insurance policy registration, premium tracking, and administrative workflows
- Implemented automated policy renewal notifications reducing manual follow-ups by 40%
- **Technologies:** C#, .NET Framework, .NET Core, RESTful APIs, Entity Framework Core, SignalR Communication, HTML5, CSS3, Bootstrap, React.js

VAMS (Visitor Management System) - Web API Developer

Duration: 4 months | Team Size: 3 developers

- Developed comprehensive visitor management system with automated entry processes, host notifications, and real-time tracking dashboards
- Reduced visitor check-in time by 60% through automated processes
- Implemented real-time notifications improving security response time by 50%
- **Technologies:** .NET Core Web API, SignalR, SQL Server, Angular

Employee Management Platform (HRMS)

Duration: 8 months | Team Size: 5 developers

- Developed and maintained HRMS application managing employee data, payroll processing, and attendance tracking
 - Implemented KRA (Key Result Areas) performance tracking system improving employee evaluation efficiency by 35%
 - Created automated payroll processing reducing manual calculation errors by 90%
 - **Technologies:** C#, .NET Framework, Entity Framework, SQL Server, jQuery, Bootstrap
-

EDUCATION

Bachelor of Science in Information Technology

KUVEMPU University, Karnataka, India | 2010

Diploma in Software Engineering

NIIT, New Delhi, India | 2014

CERTIFICATIONS & ACHIEVEMENTS

- Proven track record of delivering projects on time and within budget
- Strong expertise in Agile methodologies and team leadership
- Excellent client communication and stakeholder management skills
- Mentoring junior developers and conducting technical training sessions
